# 22-24 MAY 2020

Florence - Chianti

simultaneous translation

**s.itri.**  
Italian Society for Hair Science and Restoration

# 44th Congress of S.I.Tri.

Italian Society for Hair Science and Restoration

Dear Colleagues,  
SAVE THE DATE!

I am please to invite you to the 44th edition of the wonderful **S.I.Tri Congress**, which will be held from **May 22th to May 24th 2020 in Florence**.

S.I.Tri has three souls: Medical Trichology, Surgery and Research. This allows us to have a very balanced perspective of our field.

You will meet colleagues from all over the world with whom to **share knowledge and experience**, and as special guests we will have Leonardo, Giotto and Brunelleschi. Together, trichologists will actively participate in round tables and attend **inspiring lectures**.

Are you still thinking that it is not worth participating?

I have also in mind a nice bike tour of the Chianti area, with a tasting experience of the traditional food and wines. Riding the bike after the tasting experience will be fun for sure!

Of course the bike tour is not mandatory and it will take place after the congress for those who are willing to join us!

I will see you all in May! Be ready for three amazing days together.

Vi aspetto!

Piero Tesauro

President of S.I.Tri.

Italian Society of Hair Science and Restoration
